Please attach a 4-5 page paper and include the following:

- List your learning goals in this ministry internship and rate your progress made toward each goal (poor, fair, good, outstanding), discussing what you learned in each instance.
- Discuss your meetings with your mentor. What learning came out of those meetings?
- What have you discovered to be your strengths in ministry?
- In what areas do you need to work to improve?
- What is your growth plan, both personally and professionally, for the next year, in light of this internship experience and your insights gained from it?
- List the six bi-weekly meeting dates (five during a summer term) that you met with your mentor.

**Due at the conclusion of your internship term.**
